

Rust Loosener and Contact Spray

6-fold function

The six-fold function of Rust Loosener and Contact Spray makes it indispensable for repairs, maintenance and servicing. Thanks to its excellent creeping capacity, Rust Loosener and Contact Spray reaches even the smallest intermediate spaces. The 3-way spray valve makes it possible to work in any position (even overhead).

Rust Loosener and Contact Spray loosens rusted and stiff parts, screws, bolts, joints and hinges, dispels water from ignition systems, secures the function of mechanical parts and contacts, e.g. on distributor caps and spark plugs, sustainably protects against corrosion and oxidation, provides long-lasting lubrication to sliding surfaces, and cleans and cares for metal surfaces, mechanical parts and electrical systems.

Technical Data

Odour	petroleum
Features	6-fold function
Storage stability	24 months
Colour	beige
Temperature resistance	-20 to +150 °C

Processing

Shake can before use. Apply Rust Loosener and Contact Spray at approx. 5 cm distance from surface and let it work for approx. 30 seconds.

Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

Safety and health

When using products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets must be observed.
